

JERSEYVILLE PUBLIC LIBRARY, JERSEYVILLE, IL

Library Closure Announcement, March 17-30:

On March 13, 2020, Governor Pritzker mandated that all schools in the state be closed from Tuesday, March 17 until Monday, March 30 in an effort to curb the spread and impact of the COVID-19 coronavirus.

While normally we would invite our school-aged children to come to the library in the event of an emergency closing, this is not the best course of action when trying to curb a contagious disease. Because containment works best when all organizations participate, many libraries and other cultural organizations will be closed for the same duration.

Jerseyville Public Library will be shutting down after the close of business on Monday, March 16 and offering limited, modified services through roadside pickup concurrently with the school closings (March 17-March 30).

Here's what that will look like:

- The Jerseyville Public Library will be closed to the public except as further outlined below. **This includes any events hosted by us or by third-party organizations.** Do not contact the Library about third party programs, call your group leader.
- Overdue fines will not accrue while the library is closed. Patrons are encouraged to use the book drop and to call the library to renew any items due or renew online at: <https://search.illinoisheartland.org/logon.aspx?ctx=1.1033.0.0.3&Header=1>
- If you renew online and get the message that your item cannot be renewed, rest assured you will not be charged fines.
- If you have items on hold, but are too ill to pick them up, call the library at 618-498-9514, and give staff permission for someone else to pick up your items via curbside service.
- The Library will continue to do homebound delivery to an outside door only. We will call to make sure you are ready for the materials to be delivered and will wait in our vehicle until we see the items taken in.
